

Surface Mount Ceiling Light

**SMART
&
COST EFFECTIVE**

SAVE LABOUR

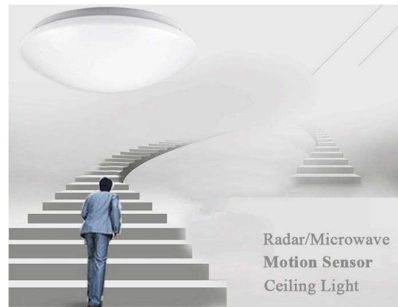

- Less number of lights
- Less integration work

BRIGHT & EFFICIENT

- Highly efficient LED chips
- Built-in microwave control
- Built-in battery backup

Proven Technology

Battery Backup & RF Microwave Control working together.

Specifications:

Voltage:	220VAC – 240VAC
Frequency:	50Hz
PF:	> 0.9
Lumen Efficiency:	80-120 lm/w
CRI:	85%
Light Source Life:	50,000 hrs

Options:

Microwave Sensor Control:

Detection Range:	2.7-5.5m
Max Installation Height:	6m
Time delay:	45s

25s – 60s on special request

Steps: 100% & 20%

Specifications:

Power:	15W/18W/24W
CCT:	6500K
Beam Angle:	160°
Protection:	IP20

Battery Backup:

Duration:	> 2hrs
Battery Type:	LiFePO4
Backup Load:	Full Power
